Our goal is to have perfect attendance on test days. Please make sure your child is here unless they are sick.

Water Day!

Water Day will be held on Thursday, June 1st. We need parent volunteers to help make this day a success for our kids. There will be options to volunteer for different Water Day games, and some dry options to help make snow cones. Look out for a volunteer flyer coming home with your student soon, so you know what times they will be participating in Water Day activities.

Your child will need to bring the following for Water Day:

- Towel
- Water Shoes (Flip flops that don't secure around the ankle are not preferred.)
- Sunscreen (Must be applied AT HOME)
- Quick Dry Clothing (Options include: Quick-dry shorts & shirt, swimming trunks, one-piece suits, or tankini suits.)
- Complete Change of Clothes (Place in bag with student's name. This includes undergarments, and socks if needed.)
